

# The Wheel and the Cross

01/08/2025 9:56 am EST

450 pages PDF

The anthology comprehends 28 articles that show how the Buddhist 'wheel' of profound wisdom meets the Christian 'cross' of selfless love.

The book promotes a culture of religious interchange, inviting individuals to create spaces for continued conversation and greater harmony among Buddhists and Christians.

It celebrates the dissimilarities in religious beliefs and practices while noting similar paths in religious experiences, particularly in contemporary Asia.
