

# Ignatian Leadership in practice reflections by YL So-CHN

12/16/2024 10:15 am EST

8 pages PDF

The article explores the relevance of Ignatian Leadership in organizations nowadays, the tensions and challenges involved, and preliminary ideas on how they may be addressed.

Referring to a leadership based on the Ignatian spirituality springing from the Spiritual Exercises.

This article attempts more to suggest and stimulate ideas than to preach definitive “truths”.
