This publication is a compendium of the resources contained in the Toolbox. It has been prepared with the goal of making it more easily available to every person, organization and work that seeks to initiate, improve and/or strengthen processes of formation in faith, human growth and apostolic commitment.

This document facilitates the search for resources through a thematic classification, which helps in locating the documents through web links offered in each title; It is, therefore, an instrument of reference and consultation.

Below is an index organized into six subject areas (marked in yellow) that provide access to broader searches. It works through hyperlinks, so that, when selecting the underlined text, it redirects the search to another place with the details of various materials and publications available on the subject to be consulted, which can be accessed by clicking on the item. respective.
