Formation Program

The document explains the Ignatian Leadership Training program of the Province of Spain.

Main goals of the program are:

Delve into common leadership issues;

Place oneself within an Ignatian framework of understanding that leadership, through the Ignatian way of proceeding;

Make known the mission and strategic projects in which the Society is involved;

Promote mutual knowledge between directors and management teams, to facilitate intersectionality within the Province of Spain.

The program is divided into four modules:

- 1- Personal knowledge
- 2- Build a body at the service of the mission

4- Personal project.
