

Discernment and Planning JCEP

12/17/2024 9:49 am EST

The Discernment and Apostolic planning department is focused on launching processes for renewal and transformation.

The screenshot shows a website banner for the Society of Jesus. At the top left is the Society of Jesus logo and the text "SOCIETY OF JESUS General Curia". To the right are navigation links: "HOMEPAGE", "APOSTOLIC PLANNING BOOK", "WORKSHOPS", "WEBINARS", and "RESOURCES". The main banner features a large, semi-transparent image of a group of people in a meeting. Overlaid on this is the text "Discernment and Apostolic Planning" and "Launching processes for renewal and transformation". Below this text are two buttons: "LEARN MORE" and "DISCOVER RESOURCES". At the bottom of the banner, there is a smaller image of four men sitting in a room, with a checkmark icon overlaid on it. To the right of this image is the text "Apostolic Planning for Renewal and Transformation" and "EVENT | ROME 5-8 DECEMBER 2023". Below this is a short description: "Apostolic planning practitioners of the Society of Jesus gathered in Rome for a week of training, sharing, and discernment in common."

Practitioners of the Society of Jesus gathered in Rome for a week of training, sharing, and discernment in common.

How to start? How to lead the process? How to engage people and manage conflicts? Fr. John Dardis invites Jesuits and religious leaders on an adventure of apostolic planning, sharing theory based on his life-long expertise.
