Formation Program

Leadership and DICAP

The Jesuit Conference of European Provincials promoted two pioneer formations on Leadership and DICAP:

The Ignatian Leadership Programme (ILP) took place between December 2015 and June 2017, in four one-week modules focused on each one of the following topics: Self-Awareness and Discernment; Forming a Body for Mission; Organisational Development; and Leadership for Frontier Mission. (The Programme has since been run again by the North-West Provincines and by JECSE.)

The Promoting Discernment in Common and Apostolic Planning (DICAP) workshop was offered in Rome in September 2019 as a practical experience of being guided into experiencing processes of personal and communal discernment and apostolic planning to be able to form others in the future.
